Product description

Glass plate container including 4 clamping bars. Trolley 2120x900x2340mm

This glass plate container trolley is a practical solution for transporting glass plates safely and efficiently. Made of high-quality steel, the trolley is very sturdy and durable. The coating resists corrosion and ensures good protection of the trolley. This glass plate container stands on 4 swivel castors, 2 of which are braked, so the trolley can be safely put on the brake.

The trolley features double-sided loading, allowing you to load and unload the glass plates quickly and easily.

Advantages:

- Sturdy and durable construction
- Suitable for transporting glass panes
- Double loading for fast and efficient loading
- Hot-dip galvanised for long service life
- Wheels for easy transport

Tips:

- Use the trolley to transport glass sheets safely and efficiently.
- Do not let the trolley load above the maximum weight.

Specifications

Article arrangement: New

Version: double-side loading

Floor: with rubber protective profiles

Wheels back: 2 castor wheels with 1 brake

Surface treatment: galvanized

Width (mm): 900

Height (mm): 2340

Loading capacity (kg): 1400

Type number: 2120V

Type: glass/plate trolley TÜV

Material: steel

Wheels front: 2 castor wheels with 1 brake

Colour: colorless

Length (mm): 2200

Internal width (mm): 266

Internal height (mm): 2002

Weight (kg) 135

EAN Code (Gtin) 8719424229462
