Technical information

Productnumber : 705S42P1460

Product description

Sturdy 4-sided roll container with a steel rolling base fitted with smooth polyamide wheels. The roll container is fitted with one half flap at the top and one door at the bottom. Fast assembly and disassembly of the insert gates. 2 nylon lashing straps are supplied as standard with each roll container. Extra option to provide the roll container with a maximum of 4 (wooden, steel or plastic) floors. Very suitable for the distribution of products to and from shops and internal transport.
