## Technical information

**Productnumber : 715ADRR950**

### Product description

Sturdy closed roll container with a steel roll bottom fitted with flexible thermoplastic rubber swivel wheels. The anti-theft roll container functions excellently as a ball trolley. The ball cart provides protection against unauthorized access to the contents. With a hinged flap at the front and top you have easy access to the contents of the roll container. When empty, the roll container is collapsible and easy to transport.
