Technical information

Productnumber : 10-PAD01-O

Product description

The suction pad holder/receiver can also be used as a receiver clip for the standard Skipper unit, and as a support for the Skipper recycle bins and safety dispensers. Simply position the suction pad onto a glass or high gloss surface and pull down the arm for an extremely strong connection.

The suction pad holder/receiver is designed for use with the Skipper XS unit and can both hold the unit in place and receive its tape end clip.
