

Productnumber: 10-PAD01-O

Product description

The suction pad holder/receiver can also be used as a receiver clip for the standard Skipper unit, and as a support for the Skipper recycle bins and safety dispensers. Simply position the suction pad onto a glass or high gloss surface and pull down the arm for an extremely strong connection.

The suction pad holder/receiver is designed for use with the Skipper XS unit and can both hold the unit in place and receive its tape end clip.

Specifications

Article arrangement: New Version: sucker, Ø 77 mm

Subgroup: Barriers Length (mm): 117 Height (mm): 45

EAN Code (Gtin) 8719424181005

Type: accessories Material: plastic Colour: orange Width (mm): 78

Type number: PAD01
