Technical information

Productnumber : 72C003014

Product description

Platform type - hout
Floor area 3880x3480 mm

Safely to great heights with just one pair of hands. You quickly assemble and dismantle the MITOWER without the help of others. This unique rolling tower is full of innovations, is compact and easy to transport. The reliable answer to the wishes of every user in every industry.

The smart design forces you to assemble the rolling tower safely. Step by step to heights of 4, 5 and 6 meters. Crossbars and a unique suspension mechanism in the platforms give you maximum grip and make it extra easy for you. Double guardrail braces, a handy claw system and double-braked wheels make the rolling tower the most stable of its kind.

Specifications

Article arrangement: New
Version: quick build
Subgroup: Mobile scaffolding
Width (mm): 1650
Depth (mm): 750
Weight (kg) 169
Type number: C003002
Horizontal platform (mm): 6000
EAN Code (Gtin) 8719424175516

Type: Altrex mobile scaffolding
Material: aluminium
Colour: alu silver
Height (mm): 7000
Loading capacity (kg): 480
Options: Norm: EN1004
Additional specifications: type use: professional
Work height (mm): 8000
