

Technical information

Productnumber : 852872

Product description

Box truck with walls made of wood fibreboard. One of the four walls folds down for easy access to the load. Thanks to the two braked swivel wheels, the open box truck is easy to steer and put away. That is why they are often used in environments such as production halls and distribution centers. The transport trolleys are supplied as standard with rubber fixed and swivel castors with brakes, which makes the trolley very mobile in use.

All Fetra transport carts have an EU standard EN 1757-3 safety standard.

Specifications

Article arrangement: New

Version: flap at 1 long side

Walls: wood

Wheels front: 2 fixed wheels solid rubber 200 mm

Wheels back: 2 castor wheels 200 mm. wheel locks

Ral colour: 5007

Length (mm): 1060

Width (mm): 715

Height (mm): 1075

Loading capacity (kg): 600

Type number: 852872

Type: Fetra container trolley

Material: steel

Floor: wooden floor

Subgroup: box carts

Colour: blue

Surface treatment: powdercoating

Internal length (mm): 1000

Internal width (mm): 700

Useful height (mm): 700

Weight (kg) 66

EAN Code (Gtin) 8719424019810
