Technical information

Productnumber : 852962

Product description

C+C warehouse trolley with a loading surface of waterproof plywood with an anti-slip layer. By sliding the trolleys into each other, 75% space is saved. The frame of the CC trolley is powder-coated and is therefore scratch-free and robust. The warehouse trolley is equipped with 2 swivel and 2 fixed castors, TPE rubber (markless), hub with ball bearing. The swivel castors at the rear are equipped with brakes, in accordance with EU standard EN 1757-3 (safety standard for platform trucks). Due to the load capacity of 500 kg and the two swivel wheels, the cash and carry trolley is very suitable for order picking and internal transport.

Specifications

Article arrangement: New

Version: 1 push bracket

Walls: 3 sides open

Wheels front: 2 fixed wheels solid rubber 200 mm

Wheels back: 2 castor wheels 200 mm. wheel locks

Ral colour: 5007

Length (mm): 1215

Width (mm): 845

Height (mm): 1005
