Technical information

Productnumber: 858102

Product description

Shelf car with three wooden floors. The frame is made of steel with a powder coating treatment. This makes it a very robust and scratch-free construction. The levels are variably adjustable every 100 mm. The load capacity per floor is 90 kg with a total load capacity of up to 600 kg. The platform trailer is equipped with two braked swivel castors and two fixed castors.

Specifications

Article arrangement: New Version: 2 open side walls
