Technical information

Productnumber : 8250201GB

Product description

Used white first aid cabinet with 2 doors. The pharmacy cabinet is made of steel with anti-uv coating. The inside consists of height adjustable transparent plastic shelves. In both doors there are cases and storage spaces in transparent plastic for additional storage space. The cabinet is equipped with locking lock with key. A kit with pharmacy accessories (item number: 8299712) and accessories with consumables (item number: 8299715) can be ordered separately.

Notice! The handles are supplied unassembled.
