## Technical information

**Productnumber : 2700-FH-001**

### Product description

This wall holder with dimensions of 620x30x30, is designed for stable storage of gas cylinders. With a sturdy construction, it offers a secure fixing method, with the gas cylinders held back by a chain and pin. Important to note is that this wall holder comes without a counter plate.

Please note! This is just the wall holding pin with chain, the wall holder is supplied WITHOUT counter plate (this is the plate at the back of the wall holder). The length of the back plate/fixing plate depends on the width of the gas cylinder storage. Ask for the conditions.
