

Technical information

Productnumber : 856855

Product description

Hand hydraulic forklift with a load capacity of up to 500 kg. Hand hydraulic pump with chrome-plated cylinders and pressure relief valve. For regular use as a lifting and transport trolley. Stable profile steel construction with tubular steel push handles, powder-coated anthracite RAL 7016. Hydraulic pump with chrome-plated cylinders and pressure relief valve. Operation by drawbar. Lowering valve through lever. 2 Swivel castors, wheels polyurethane 150 x 40 mm and 2 fork rollers nylon 80 x 70 mm. Swivel castors with brake. Center of gravity distance: 585 mm. Lift per drawbar stroke: 20/12.5 mm

Fork length: 1150 mm

Fork width: 540 mm

Lift height: 90 to 1500 mm

Specifications

Article arrangement: New

Version: manual hydraulic stacker

Wheels front: polyurethane with brake

Colour: anthracite

Surface treatment: powdercoating

Internal length (mm): 1150

Height (mm): 2010

Application: stacker

Options: standard fork length

Min Height (mm): 90

EAN Code (Gtin) 8719424022452

Type: stacker

Material: pipe material profile steel

Wheels back: nylon

Ral colour: 7016

Length (mm): 1600

Width (mm): 795

Loading capacity (kg): 500

Weight (kg) 210

Type number: 856855

Max Height (mm): 1500
