### Product description

The Master Lock key cabinet has a 76 mm wide metal housing with a large storage capacity suitable for keys, key rings and cards of various sizes. No more hiding your keys under the doormat or under a flower pot. The key cabinet is the perfect solution for sharing access to your keys. The cabinet has a simple wall-mount, allowing flexibility in the installation location to suit your specific needs. With a 4-digit free combination selection for keyless convenience and added security.

- Integrated bin: For hassle-free access, the integrated bin organises items and prevents jamming when closing the door.
- Easy-to-use large dials: Effortlessly readable and easy to grip, ensuring smooth operation even with gloves on.
- Durable, weatherproof cover: in rain, wind or snow, the dials are protected from the elements.
- Quick one-step opening: no more fumbling with mechanisms or wasting time: get quick and effortless access to your belongings.
- Mounting kit included.
