## **Technical information**

Productnumber: 38-BBSW3S790-D

## **Product description**

Plastic pallet box with 3 runners 120x100 cm. Also called BIG BOX. The most stable and most hygienic large volume container on the market. The plastic pallet box is very impact-resistant, strong, liquid-tight and easy to clean. The closed walls and bottom make it very suitable for the storage and transport of bulky, heavy goods. Due to the unique wall construction, the BIG BOX pallet box has an optimal volume. The pallet box has 3 skids and is easy to move with a forklift or pump truck.

## **Specifications**

Article arrangement: New Version: all walls closed Walls: walls closed Food-safe: yes

Colour: red

Internal length (mm): 1100 Internal width (mm): 910 Internal height (mm): 600

Volume (Itr): 680

Stacking load (kg): 4500

Temperature resistance: -40 to +70 °C EAN Code (Gtin) 8719424198393
