Technical information

Productnumber : 98-7252GB

Product description

Used steel stacking bin, measuring 1240x840x540 mm. The Euronorm size of 1200x800 ensures that this bin fits into standard logistics systems. Two dividers organise the bin internally, allowing different items to be stored separately. Moreover, the stackability of this bin is a space saver, allowing easy stacking of several bins.

Specifications

Article arrangement: Used

Version: with 2 partition walls

Walls: corrugated

Euronorm (mm): 1200 x 800

Surface treatment: painted and use damage

Internal length (mm): 835

Internal width (mm): 1235

Internal height (mm): 390

Application: stacking - not certified to hoist

Type number: 7252GB

Type: fixed construction stackable

Material: steel

Floor: profiled steel

Colour: yellow

Length (mm): 1240

Width (mm): 840

Height (mm): 540

Volume (ltr): 398

Weight (kg) 70
