Technical information

Productnumber : 1021289V-CE

Product description

If you opt for a certificate, you will have a hoistable and stackable box which is designed and certified for storing and transporting all kinds of loose goods. The box can be transported using a forklift truck but is also certified as a hoisting device which means that it is permitted for the box to be hoisted using a crane.

Please note: Users of the box need to have read and understood the contents of the following manual before they start using the box. Using the box without knowledge of the contents of this manual or disregarding the instructions in this manual could lead to serious personal injury and/or material damage!

See user manual: https://www.kruizinga.com/documents/CE_10-2_UK.pdf

Attention! CE certified items can NOT be returned.

Specifications

Article arrangement: New

Version: 4 sides, with CE certification

Walls: corrugated steel plate

Euronorm (mm): 1200 x 800

Surface treatment: galvanized

Internal length (mm): 1150

Internal width (mm): 745

Internal height (mm): 800

Stackable height (mm): 900

Volume (ltr): 680

Weight (kg) 95

Options: with CE certification

Temperature resistance: -20 / +40°C

EAN Code (Gtin) 8719424149517

Type: fixed construction stacking box

Material: steel

Floor: profiled steel

Colour: colorless

Length (mm): 1200

Width (mm): 800

Height (mm): 970

Insertion height (mm): 100

Loading capacity (kg): 2000

Application: certified for stacking and hoisting

Stacking load (kg): 10000

Type number: 10-2-CE

Additional specifications: with hoisting eyes
