Technical information

Productnumber : 102866V-CE

Product description

If you opt for a certificate, you will have a hoistable and stackable box which is designed and certified for storing and transporting all kinds of loose goods. The box can be transported using a forklift truck but is also certified as a hoisting device which means that it is permitted for the box to be hoisted using a crane.

Please note: Users of the box need to have read and understood the contents of the following manual before they start using the box. Using the box without knowledge of the contents of this manual or disregarding the instructions in this manual could lead to serious personal injury and/or material damage!

See user manual: https://www.kruizinga.com/documents/CE_10-2_UK.pdf

Attention! CE certified items can NOT be returned.

Specifications

Article arrangement: New

Version: 4 sides, with CE certification

Walls: corrugated steel plate

Euronorm (mm): 800 x 600

Surface treatment: galvanized

Internal length (mm): 740

Internal width (mm): 540

Internal height (mm): 500

Stackable height (mm): 600

Volume (ltr): 200

Weight (kg) 48

Options: with CE certification

Temperature resistance: -20 / +40°C

EAN Code (Gtin) 8719424149487

Type: fixed construction stacking box

Material: steel

Floor: profiled steel

Colour: colorless

Length (mm): 800

Width (mm): 600

Height (mm): 670

Insertion height (mm): 100

Loading capacity (kg): 1500

Application: certified for stacking and hoisting

Stacking load (kg): 7500

Type number: 10-2-CE

Additional specifications: price each
