Product description

This staircase is made for professional intensive use. The robust design of the staircase is very suitable for any professional work. The self-releasing hinge system makes the ladder very convenient and user-friendly. Quickly grabbed, quickly put away again.

The grey coating is not only stylish. It is also dirt-repellent and does not stain your hands. With the sketchy braces and large feet, you are sure to be stable. The tray in the bracket also gives you a place to put tools.

The Red Step® in your ladder and stairs tells you exactly to what height you are still safe to work. At a quick glance, you know to what height you can and may go.

Specifications

Article arrangement: Used

Version: single-sided, 5 steps incl. platform

Subgroup: Stairs

Surface treatment: signs of use

Height (mm): 1940

Weight (kg) 8

Height when folded (mm): 1950

Horizontal platform (mm): 1200

EAN Code (Gtin) 8719424236187

Type: Altrex industrial stairs

Material: aluminium

Colour: grey

Width (mm): 560

Depth (mm): 1030

Type number: 191323

Additional specifications: type use: professional

Work height (mm): 3200
