Technical information

Productnumber : 72194404

Product description

This staircase is the most robust professional staircase. Can be accessed on both sides and can therefore be used on both sides. It is very suitable for heavy work at home or in professional projects. Despite the robust design, the stairs are lightweight due to the open step profile. The bracket gives you an extra sense of security. The sturdy stair feet provide the necessary stability. In addition, the anti-slip contour ensures that you do not slip.

Specifications

Article arrangement: New
Version: double-sided, 2x4 steps
Subgroup: Stairs
Width (mm): 500
Depth (mm): 870
Options: Norm: EN 131
Height when folded (mm): 1000
Horizontal platform (mm): 950
EAN Code (Gtin) 8719424174908

Type: Altrex industrial stairs
Material: aluminium
Colour: alu silver
Height (mm): 1020
Weight (kg) 7
Type number: 194403
Additional specifications: type use: professional
Work height (mm): 2950
