

Technical information

Productnumber : 852892

Product description

Double-sided container trolley including 52 storage containers. The container trolley has four tiltable levels which are infinitely adjustable between 0° and 35°. The floors can be tilted by means of clamping screws. The total load capacity is 250 kg. The side trolley is powder coated for a robust and scratch-free exterior. Thanks to two braked and two unbraked castors, the side trolley is very manoeuvrable.

This stock trolley includes storage bins;

16x 230x147x132 mm

24x 350x210x145 mm

12x 350x210x200 mm
