Technical information

Productnumber : 854932

Product description

Table trolley with three steel tier containers and raised push handle. The tier trays have a 40 mm raised edge and are oil-tight. The top and middle shelves have a load capacity of 200 kg and the total load capacity of the shelf trolley is 400 kg. The table trolley is equipped with two braked swivel castors and two fixed castors. Thanks to a powder coating treatment, the warehouse trolley is very robust.
